

THE VISA "BLUE SPARK" DEBIT CARD

Begin your Journey with a Spark

Culinary Benefits

Zomato Mobile App offering 20% off every Friday on food delivery & an additional 20% off once per day on dine-in for Zomato Pro members.

Latest Security & NFC Contactless Payment Technology

TAP & GO is a new, fast and innovative payment feature that allows you to make secure contactless transactions.

The embedded chip & antenna enable you to TAP your card at any contactless terminal showing the following symbol 

1  **LOOK**
Look for the NFC contactless symbol when making a purchase

2  **TAP**
Tap your contactless card onto the reader

3  **GO**
Wait for the beep and take the receipt

- No additional fees for using the contactless payment feature.
- No PIN is required for transactions below LBP 150,000 or c/v.

TAP & GO is ideal for low value transactions and a substitute for cash-only payments where speed is essential such as at:

3D Secure

An extra layer of security using a dynamic OTP (One Time Passcode) sent within one (1) minute to finalize an online purchase.

Generous Loyalty Program

Earn 1 point for every \$10 spent on any POS and online purchases.

For more information about the Visa "Blue Spark" card's benefits as well as its related Terms & Conditions, please visit www.creditlibanais.com or call +961 1 60 82 82.

To pick up your card, you may visit your branch any day.
