Dear Safa EID

**Requirement to provide personal identifiers (biometrics) for the purposes of section 40 of the *Migration Act 1958* in regard to your Visitor (Tourist) (subclass 600) visa application**

In the following information, when we say 'you' we mean all applicants listed below.

Offshore visa applicants in selected overseas locations need to provide personal identifiers in the form of fingerprint scans and a digital facial photograph.

Under section 257A of the Migration Act, each applicant listed in the table(s) below is required to provide personal identifiers in the form of fingerprint scans and/or a digital photograph of their face and shoulders.

You will need to provide the personal identifiers by attending a Biometrics Collection Centre within 14 days after you are taken to have received this letter.

The only fingerprint scans and facial photographs that will be accepted are those taken by staff at a Biometrics Collection Centre.

### **Providing personal identifiers**

To provide personal identifiers, all applicants listed above need to attend a Biometrics Collection Centre in person and bring:

- this letter
- a current passport for each applicant.

Make an appointment at your nearest Biometrics Collection Centre.

Information about your nearest Biometrics Collection Centre is available on our website [immi.homeaffairs.gov.au/help-support/meeting-our-requirements/biometrics](http://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/biometrics)

### **What happens if you do not provide the information in time**

If you do not provide your personal identifiers within the time we have given you or have the requirement withdrawn, your visa application must be refused under section 65 of the Migration Act because the grant of a visa is prevented under section 40 of the Migration Act.

If any of the applicants listed above are unable to provide their personal identifiers within the time we have given you, you should attach a letter explaining the circumstances to your ImmiAccount.

### **If you did not submit your application through ImmiAccount**

You can still provide your documents through ImmiAccount if you submitted a paper application or if someone else submitted your application online for you.

Follow these steps:

- 1 Create your own ImmiAccount.
- 2 Import your application. Our website has instructions on how to do this:  
[www.homeaffairs.gov.au/immiaccount](http://www.homeaffairs.gov.au/immiaccount)
- 3 Attach your documents.

### **Biometrics provision for minors**

The following arrangements regarding minors (a person who is less than 18 years old) included in the application. Depending on the age of the minor(s) at the date of biometrics collection, the following biometrics provision guidelines apply:

- minors aged less than five years may be required to provide a photograph of their face and shoulders only; and
- minors aged five years and over but less than 18 years may be required to provide their fingerprints and a photograph of their face and shoulders.

Minor applicants are required to provide personal identifiers in the form of fingerprint scans and/or a digital photograph of their face and shoulders (depending on the age of the minor as described above) by attending a Biometrics Collection Centre within 14 days after you are taken to have received this letter.

Under Policy, the presence of a parent or guardian is required before personal identifiers are collected from minors aged less than 16 years.

### **Biometrics provision for incapable persons**

If someone included in this application is an 'incapable person', contact the Department [immi.homeaffairs.gov.au/help-support/contact-us/offices-and-locations](http://immi.homeaffairs.gov.au/help-support/contact-us/offices-and-locations)

An 'incapable person' means a person who is incapable of understanding the general nature and effect of, and purposes of, a requirement to provide a personal identifier. An example is a person with an intellectual disability. Evidence may need to be provided that they are an 'incapable person'.

A person considered an 'incapable person' will have a photograph of their face and shoulders only taken.

The presence of a parent or guardian is required when personal identifiers of incapable persons are collected.

### **Processing your application**

Until all applicants listed above have provided personal identifiers this application may not be finalised.

The provision of personal identifiers is only one of several stages in the visa assessment process. Providing your personal identifiers can help us to process your application more quickly.
